\*Promotion registration required at ChoiceHotels.com/giftcard before check-out. Members must book trips via ChoiceHotels.com, ChoiceHotels.ca, the Choice Hotels mobile app, or 800.4CHOICE at qualifying rates. Corporate travellers may book through a travel agent or corporate online booking system. Choice Privileges member number must be provided upon check-in. After a second qualifying trip with arrival between 5/12/16 and 8/18/16, members will be awarded enough bonus points to reach the 8,000 point level, which can be redeemed until 9/30/16 for one (1) \$50 gift card at selected retailers. Please see a list of participating retailers here: ChoiceHotels.com/giftcard. Terms and conditions apply to \$50 gift card options. See card for details. A trip is defined as a stay that is any number of consecutive nights at one hotel regardless of check-ins or check-outs. Trips at vacation rental property locations and stays booked with the SEGEN rate code do not qualify for promotional bonus points. To be eligible to earn the bonus, members must set their earning preference to Choice Privileges points in their online account. Any change made to earning preference will remain in effect after the promotion has ended. Allow 72 hours from check-out for points to post. You must maintain an address in Canada or the U.S. (including U.S. territories) to be eligible for this promotion.
