*Promotion is only available to members of the Choice Privileges® Rewards Program. After a second qualifying stay with arrival between 08/31/17 and 11/11/17, members will be awarded a minimum of 5,000 and a maximum of 8,000 bonus points, depending on the number of base points earned from the two (2) separate qualifying stays. These bonus points will allow redemption for a future free night at the 8,000-point reward-night level at over 1,000 Choice® hotels worldwide. A free night at most Choice hotel locations requires more than 8,000 points. A stay is defined as any number of consecutive nights at one hotel regardless of check-ins or check-outs. Registration required at ChoiceHotels.com/FreeNight before check-out. Members must book stays via ChoiceHotels.ca, ChoiceHotels.com, the Choice Hotels® mobile app, or 800.4CHOICE at qualifying rates. Corporate travellers may book through their online booking tool, GDS, or with a travel agent. Choice Privileges member number must be provided upon check-in. Stays at vacation rental property locations and stays booked with the SEGEN and SRTLG rate codes do not qualify for promotional bonus points. To be eligible to earn the bonus, members must set their earning preference to Choice Privileges points in their online account. Any change made to earning preference will remain in effect after the promotion has ended. Allow 72 hours from check-out for points to post. You must maintain an address in Canada or the U.S. (including U.S. territories) to be eligible for this promotion.
