YORK 
UNIVERSITÉ
UNIVERSITY

Dear Alumni & Friends,

As a fellow York alum, I invite you to join York on an adventure to Lapland - home of the Sami; the indigenous people of northern Scandinavia.

On our journey, we will experience Norway's beautiful fjords, charming ports, rare wildlife and travel to places no other cruise ships can access before venturing into northern Finland.

Hurtigruten has explored the Norwegian coast since 1893 - it is the original coastal voyage. Go where no one else goes, with a crew and ship that have Scandinavia in their DNA.

Named "the world's most beautiful voyage" by Lonely Planet we will sail along Norway's stunning coastline, crossing into the Arctic Circle. Cruise past majestic mountains and breathtaking fjords, explore remote but welcoming towns, embark on once-in-a-lifetime excursions and savour 'Norway's Coastal Kitchen' prepared from fresh local produce. Along the route, dedicated expedition leaders have a single mission: to enhance your experience by leading activities and interpreting the cultural and natural treasures you will see during your journey.

Visit cities like Bergen, Alesund, and Trondheim, before we cross the Polar Circle and sail into Tromso. We continue further north and explore Ivalo in Northern Finland as well as the historic centre of Finland - Helsinki.

I invite you to join us for a voyage filled with spectacular nature and experiences. It will be a treat for all your senses.

For more information or to make a reservation, please contact Melanie McLean from York's Alumni Engagement Team at 416-736-2100 ext. 22360 or 1-866-876-2228 or mcleanm@yorku.ca.

Sincerely,

Francesca Accinelli (BFA '92)
